

COST-EFFECTIVE SOLUTIONS EXCEPTIONAL CUSTOMER SERVICE

RETAIL LOGISTICS BY MIQ LOGISTICS

From high street outlets to mail order and online channels, MIQ Logistics has an in-depth understanding of the retail sector and its distinctive challenges. That's why we can support your retail supply chain with solutions which are engineered for **cost effectiveness** and executed with **agility** and **vigilance**.

Your account management team will work in partnership with you to get the right product at the right place at the right time. MIQ Logistics global account managers work with their regional counterparts for **24-hour coverage** and supply chain management.

Our capabilities span major trade regions around the world and include a broad portfolio of **transportation services, global services** and **contract logistics**, which can be utilized independently or as a comprehensive end-to-end solution.

Let us show you how our retail supply chain solutions can work for your business. Visit us online at **miq.com**.
